

Over view

- Doctorate in Microbiology and Post Doctoral Fellowship in Molecular Biology
- More than 15yrs experience in teaching and research
- Currently Research Coordinator for academic and clinical research projects
- Familiar with software tools for patient scheduling, research and administration
- Experience in Laboratory techniques in Microbiology and Molecular biology

Education

- **2003** – Post Doctoral Fellow in Molecular Biology
Molecular biology Lab, Amrita Institute of Medical Sciences, Kochi, Kerala, India.
- **2002** – Ph.D in Microbiology
Cochin University of Science and Technology, Kochi, Kerala, India.
- **1994** – Master of Science in Biotechnology
Department of Biotechnology, Cochin University of Science and Technology, Kochi, Kerala, India.
First Rank in University.

Professional Experience

- January 2015 onwards– working as Research Coordinator in Infectious Diseases Division, Department of Medicine, St. Joseph’s Hospital, London, Ontario.
- October – December 2014 – worked as Research Assistant in Lawson Health Research Institute, London, Ontario.
- October 2004 – January 2014 – Worked as Associate professor and Research Scientist in India.

Research Projects Ongoing

- Research Coordinator - *“Transplantation of Microbes of Fecal Origin for Prevention and Treatment of Metabolic Syndrome and Non Alcoholic Fatty Liver Disease” (2015-18)*
- Research Coordinator – *“SERES-012: ECOSPOR III: A Phase 3 Multicenter, RandomizeEd, Double Blind, -Placebo COntrolled, -Parallel Group- Study to Evaluate the Safety, Tolerability, and Efficacy of SER-109 vs. Placebo to Reduce Recurrence of CLOstridium difficile Infection (CDI) in Adults Who Have Received Antibacterial Drug Treatment for Recurrent CDI (RCDI).” (2017-19)*
- Research Coordinator - *“Fecal Microbial Transplantation in Relapsing Multiple Sclerosis Patients” (2017-19)*
- Research Coordinator – *“PF-06425090 for prevention of Clostridium difficile infection (CDI)”*. (2017-19)

Honors/awards

- First Rank in University for Masters in Biotechnology, Cochin University of Science and Technology, India.
- Recipient of Young Scientist Award for Biotechnology research by Department of Science and Technology, Govt of India, New Delhi, India.
- Recipient of several funded projects in Biotechnology from government agencies.
- Recipient of Government of India grants for attending and conducting International & National conferences in Microbiology.
